

## ILASS-Europe EVENTS

After notification of the acceptance of your papers, don't miss the deadline for the submission of full manuscripts.

**Next important dates to remember for paper submission:**

Full manuscript: **30<sup>th</sup> May 2013**

Poster: **30<sup>th</sup> June 2013**

Presenting authors are invited to submit **by the 15<sup>th</sup> of May** their short biography form using the form [Presenting Author Brief Biography Template](#).

Check for all the details at the ILASS-Europe 2013 website: [www.lass2013.org](http://www.lass2013.org) or click here:

[1<sup>st</sup> – 4<sup>th</sup> September 2013](#)

**IMPORTANT ANNOUNCEMENT: THE DEADLINE FOR APPLICATIONS FOR THE PAUL EISENKLAM TRAVEL AWARD HAS BEEN EXTENDED TO MAY 11<sup>TH</sup>!**

## SPECIAL ANNOUNCEMENT I WRITING THE HISTORY OF ILASS

We are writing the History of ILASS Americas, Europe, and Asia. All members of ILASS are requested to submit their 'stories' about the

following: First attendance at an ILASS Conference and subsequent attendances at conferences; establishing friendships with colleagues which subsequently led to change in careers in Universities and Industry, including association with distinguished members of ILASS. Members who joined ILASS, attended conferences, presented and published papers that influenced their future careers and friendships, are encouraged to submit their stories. The writing should emphasize personal interactions and establishment of long time friendships with 'comrades' and with peers, which will provide interesting stories that will attract the attention of new members of ILASS, as well as the veterans who play leadership roles in ILASS. As a direct consequence of participation in ILASS Americas, Europe and Asia, and International Conferences, members have climbed academic ladders to be Professors and Distinguished Professors. Others established Companies for Design, Testing, and Consulting and became wealthy. Some members met, fell in love, married and have children as a consequence of meeting at ILASS Conferences. This year in May, ILASS Americas is celebrating the founding of ILASS Americas in Pittsburgh, where there will be a reunion of former students, engineers and professors from Carnegie Mellon University. For this celebration, 5 members from ILASS Asia will fly from China to present papers at our ILASS Americas Conference and participate in our "Reunion".

Please send your stories to [normanbigier@verizon.net](mailto:normanbigier@verizon.net). These will be edited and published on the ILASS History Website.

## SPECIAL ANNOUNCEMENT II POST-DOC POSITION AT BRNO UNIVERSITY OF TECHNOLOGY IN THE AREA OF LIQUID ATOMIZATION & SPRAY SYSTEMS

Brno University of Technology, CZ offers a Post-Doc position in the area of two phase flow, namely liquid atomization and spray systems.

The position is opened at the department of thermodynamics and environmental engineering. The researcher will work closely with Prof. Jicha and Dr. Jedelsky by using new experimental facility for spray investigations, using several laser-based measurement techniques such as PDA, PIV, PLIF. The work is focused on the study of atomization principles, development and design of new atomizers, their testing, an update of experimental equipment etc.

A limited experience with this topic does not necessary eliminates the candidate from the position, given the candidate is smart enough and hard working person to quickly get knowledge and to be a useful member of the team.

## FUTURE EVENTS

**STEC – Naples, Italy**  
**13<sup>rd</sup>-14<sup>th</sup> June 2013**

STEC is an international Symposium gathering academics and industrial experts to discuss on the recent developments and actual trends in the fields of Solar Thermal Power Plant and Power Quality. It covers a wide range of topics such as Experimental and Numerical Thermodynamic Analysis, Engines and Heat transfer, among others.

For detailed info, visit STEC website:

<http://stec2013.unina.it/index.html>

The 5<sup>th</sup> International Conference on Spray Deposition and Melt Atomization – SDMA 2013 **will take place in Bremen, Germany, 23<sup>rd</sup>-25<sup>th</sup> September 2013. The deadline for the submission of Abstracts is the 15<sup>th</sup> March 2013.** More details can be found in the attached file and here below:

**SDMA 2013 – Bremen, Germany**  
**23<sup>rd</sup>-25<sup>th</sup> September 2013**

**(for detailed information please click here)**
